It's time to shine

We invite you to join us in presenting the second WA Mental Health Awards. The Awards are a prestigious recognition of the often "quiet" heroes in our society who make up the fabric of mental wellbeing in their workplaces, for their clients or in their communities and it's time to highlight their amazing efforts.

This year, there are eight award categories, including the brand new mentally healthy education field in an effort to inspire our teachers, educators and students. Our goal is to help build a sustainable and responsive mental health community and by shining the light on the people and organisations setting the right example and being innovative and recovery-focused in their spheres of influence, we know we can achieve this goal together.

I look forward to your involvement and support of the WA Mental Health Awards 2019 and hope to meet you at what should be an amazing evening at the celebration ceremony.

Taryn Harvey, Chief Executive Officer, Western Australian Association for Mental Health

About the Awards

The Western Australian Mental Health Awards 2019 will be held on the 18 November at the Pan Pacific in Perth. Hosted by the Western Australian Association for Mental Health (WAAMH) with the support from the WA Mental Health Commission, the Mental Health Awards will celebrate individuals, corporates, organisations and groups that have made an outstanding contribution to mental health in Western Australia throughout the 2018 calendar year.
