THE TECH

ONLINE TOGETHER

(1) Mute when not talking

(2) Drop video if bandwidth is struggling

(3) Turn of emails and other things that go 'ping'

Purpose

To capture the
learning from the last
few months

To get us started

Opening Reflections

What is there to appreciate about how the Sector, Consumer and Families responded to COVID-19?

What have been the impacts of the response to date?

What happened that we don't understand?
